Do You Ever step to consider the present efficiency of the TELBORAPH SERVICE compared with what it was before the "POSTAL" entered the field?

Baby Scalded to Death in Bath. REPUBLIC SPECIAL. Oakland, Cal., April 1.-The 16-months old son of Mr. and Mrs. Robert Hoffner of Yoakum avenue. Fitchburg, is dead of Yoakum avenue. Fitchburg, is dead from scalds received in his bath. The child was subject to spasma, for which warm baths were prescribed. On Friday moving the baby had a spasm and Mra. Hoffner placed him in a tub of hot water, where she left him for a few minutes, as was her custom. When she lifted the child from the tub, where he lay quietly on his back, she found that he was hadly scalded. Although every effort was made to save the child, he never railied from the accident.
